# Cove Campers 2010

Palmyra Cove Nature Park is offering Palmyra Cove Nature Park Cove Campers Summer Camp July 5 through July 9 and July 12 through July 16 for students going into 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> grades.

The camp will run from 9:00 am to 12:00 pm.

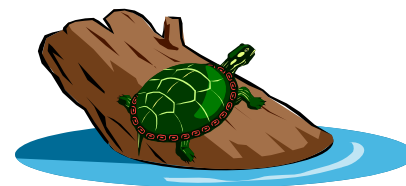

The cost for one week is \$115 for members and \$155 for non-members (includes an annual membership).

Palmyra Cove Nature Park is 250 acres of green in a highly developed area on the Delaware River just south of the Tacony Palmyra Bridge. With its woodlands, wetlands, tidal cove, and wild river shore line, PCNP serves as an important feeding site for migratory birds.

The mission of Palmyra Cove Nature Park's summer camp is to have students become more in-touch with nature; to feel a sense of responsibility and ownership of our wild spaces.

Each Cove Camper can look forward to making personal discoveries around the park with individual attention from the interpretive educators.

If you are interested in attending the camp, please make sure you reserve your spot as soon as possible at 856-829-1900 x 267.
